10 a m - 12 p m

Set up your pre-funded account with us and we'd love to offer you a 5% discount.

Making the decision to pre-plan your funeral is not an easy one. It may not "feel right" while you are still alive. It's hard to face the fact that we are mortal.

It's okay, take a deep breath. You ARE in fact still in the land of the living! Planning your funeral is simply a means of making things a bit easier for the ones you love when the time comes. What a gift!

Check it off your list! *It will be nice to know your personal wishes will be honored and it gives you great peace of mind. Done! Enjoy life!*
