VETERAN'S BURIAL BENEFITS | FUNERAL PRE-PLANNING

Bartolomeo & Perotto Funeral Home feels strongly that Veterans should be honored for their service and sacrifice to our country. We are committed to ensuring that all Veterans and their families receive the burial benefits they are entitled to.

We'll tell you all about the Western NY National Cemetery located closeby in Pembroke, NY, the burial benefits you may be entitled to, and how to take the first steps in pre-planning your funeral.

Making the decision to pre-plan your funeral is not easy. It may not "feel right" while you are still alive. The reality is, that planning your funeral is simply a means of making things a bit easier for the ones you love. Check it off your list! It will be nice to know your personal wishes will be honored and it gives you peace of mind. Done! **Enjoy life!**
